POWERGEN™

JANUARY 18-21, 2027
SALT PALACE CONVENTION CENTER | SALT LAKE CITY, UTAH

PATHWAYS TO POWER: STUDENT WORKFORCE SUMMIT

EXPLORE. CONNECT. BUILD YOUR FUTURE.

Tuesday, January 19, 2027

Discover real-world career opportunities in the power generation industry and connect directly with the professionals shaping its future.

⚡ THE INDUSTRY NEEDS YOU

The power generation industry is growing faster than it has in decades — driven by AI, data centers, electrification and the need to build and maintain critical infrastructure. Employers are actively hiring skilled trades and technical talent, and the demand is only increasing. The careers are stable, the pay is competitive and the work powers everything else in the economy.

🤝 MEET INDUSTRY EXPERTS

Connect with utilities, independent power producers, engineering, procurement & construction firms, contractors, service providers, labor organizations, training providers, and technology companies.

🚀 STUDENTS WILL:

- Explore in-demand power-sector careers
- Meet employers and industry professionals
- Discover training, apprenticeships & career pathways
- Experience the POWERGEN exhibition floor
- Build connections through mentorship & networking

🔧 CAREER PATHWAYS

Electrical • Welding • HVAC • Industrial Maintenance • Instrumentation & Controls • Mechatronics • Power Plant Operations • Engineering • Construction & More

🚌 WHAT'S INCLUDED

Transportation and lunch provided for participating student groups. All student participants receive a complimentary POWERGEN pass with access to the full conference and exhibition floor for the remainder of the week.
